Dear Sisters and Brothers:

The Worthy Grand Matron has chosen Cancer as one of her special committees. This committee is a fund raising committee and all of the proceeds will be used for cancer research. The mission for cancer research is to prevent and cure cancer through research, education, communication, and collaboration.

The number of cancer survivors in the U.S. is at an all-time high, according to the American Association for Cancer Research. Research expedites the development of drugs, biologics and devices to improve the lives of people with cancer. Cancer affects your family and friends. All of us in some way have been there to help and support someone when they have been diagnosed with cancer.

Please give consideration by your Chapter making a donation or donating thru perhaps your Silver Drill at one of your meetings to the Cancer Committee. Make your checks payable to The Grand Chapter of Florida and be sure you designate your check to the Cancer Fund.  
Mail your checks to:

Thanking you in advance for your time and consideration to this worthwhile project.

Lovingly and Fraternally,

Kathy Johnson

Cancer Committee Chairman
